

HALFTIME®

Success to Significance®

The Halftime Institute

MISSION

The Halftime Institute provides a transforming experience that will launch highly successful Christians into lives of sustained second half significance.

EXECUTIVE SUMMARY

The Halftime Institute is an invitation-only, small-group event designed for high-achievers who share two defining characteristics. One, the participants have experienced success in the first half of their lives. And, two, they now share a deep desire to pursue eternal significance in their second half. The highly interactive experience features both the personal insights of Bob Buford and the input of peers over a focused, two-day period. By the end of the process, participants create their own powerful second-half life plan.

Through the Halftime Institute, you will find the freedom to:

- **Dream** about the next season of your life
- **Clarify** your core abilities and passions
- **Create** a workable plan by which you can invest time and talent in your area of passion
- **Design** the ultimate context for your personal service
- **Network** with peers who will provide accountability and encouragement as you implement your plan

RESULTS-ORIENTED

The Halftime Institute utilizes a proprietary, results-oriented, collaborative process (see www.wildworksgroup.com) that combines teaching by Bob Buford, group interaction, personal reflection and planning. Add to this mix the expertise the Halftime ministry has accumulated over a decade of serving thousands of Halftimers. It's no wonder so many alumni consider The Halftime Institute a truly pivotal event that inspired and equipped them to address the core issues surrounding the second half of life.

“ Thank you once again for a remarkable two days! Life altering and freeing...I am still ruminating on everything we discussed and how it will impact my second half. ”

—Senior Bank Executive

“ I rank it as one of the most enjoyable and productive—and transforming—experiences I have had in a long time. ”

—Chief of Staff of a world-class medical center

Cost

\$1,250 per participant
(includes food and all materials
but not lodging and travel)

Location

Leadership Network Collaborative Center
2626 Cole Avenue, Suite 900
Dallas, Texas 75204
